

SIDELINE LOCATION POLICY

PRACTICE TO BE APPLIED

PRACTICE

Canterbury Rugby League has introduced a mandatory team sideline placement policy for all games from U/6 to premiers.

The following is applicable:

1. Both teams and their respective team officials and reserves are to be on the same side of the field positioned 10-15 metres either side of half-way;
2. To determine which side of the field, the respective team managers are to consult to determine prior to the commencement of the game;
3. Failure by a team to comply will result in the game not commencing until compliance and any time delay will result in the referee playing the delayed time short to reflect.
