### GRADES

Grade 1 – offences are those incidents of foul play deemed by CRL to be deliberate or reckless in nature.

Grade 2 – offences are those incidents of foul play deemed by CRL to be careless in nature but sufficiently serious in the context of the match to warrant dismissal from the field of play.

### NOTES

The grading of the offence shall be at the sole discretion of CRL or their representative and is based on information provided by Match Officials and by any other supporting material lodged within the specified or agreed time frame.

Any offences deemed to constitute Misconduct shall be referred by CRL management direct to a hearing before the judiciary tribunal for determination. Any player or Team Official facing such an allegation shall have the right to attend such a judiciary hearing and present evidence and/or submissions on his or her behalf as to culpability or mitigation.

The period of times listed above serve as a guideline for the minimum period of suspension. The Football Committee and Judicial Committee reserve the right to extend the period of time a player is suspended from the game under the categories listed above.

Any player or Team Official who is ordered from the field of play for an offence listed in the schedule shall be

entitled to request a hearing of the CRL Judiciary Tribunal to dispute culpability only. If the player or Team Official establishes to the comfortable satisfaction of the CRL judiciary that he or she is not guilty of the alleged offence that resulted in his or her ordering from the field, the CRL judiciary shall have the ability to rescind the ordering off and quash the applicable automatic suspension. Likewise, should the judicial panel deem the original penalty as insufficient it has the right to impose further penalties as deemed appropriate.

Any player or Team Official who wishes to appeal a decision of the CRL management or judiciary is bound by the constitutional and By-Law requirements of CRL, Southern Zone and NZRL.

Any player sent to the sin bin on three (3) occasions during one season shall automatically be suspended for the two (2) competition matches immediately following the match in which he or she incurred his or her third sin bin.

The Club of any player or Team Official who is ordered from the field of play shall incur an automatic fine of \$30.00 for each match of the automatic suspension period imposed for the offence. Such a fine must be paid by the Club before the player or Team Official is eligible to play or participate in any subsequent competition match.

CRL will publish a list of player sanctions on a regular basis.
