Welcome all supporters to the Canterbury Rugby League Club Grand Finals Day 2021.

Congratulations to all the teams in the programme for making it to this the biggest club football day of the year. It has been a long time since we have had the eight different clubs on show on finals day. A credit to the clubs represented on the field of play today.

With the Covid pandemic shadow still hanging over us there was a timely reminder during the pre-season National 20's Competition to expect the unexpected this season. I'm sure this would have especially resonated with club, team officials and players who weathered the brunt of the 2020 season disruptions the most. I can safely say we are all pleased and relieved to get through an uninterrupted club season and to be celebrating finals football at the one venue this year.

The Premier teams contest for the Pat Smith Memorial Trophy, Pat Smith captained the Kiwis 1946-1949 and was inducted into the Legends of League at a centenary celebration function on the West Coast in 2007. Pat Smith's family is here today, represented by three generations, to present the eventual Premier Champions with the trophy.

To conclude I would like to acknowledge the groups of volunteers who without their support we wouldn't have rugby league in Canterbury. The Clubs in Canterbury and their hardworking senior and junior committees, the Referee's group, the CRL Board, Football and Women's committees.

Many who participate in our game do not realise the work and effort that goes in behind the scenes by these groups to ensure there are clubs, teams and officials for grades and games to be a part of. Thank you all.

Nga mihi nui.

The Pat Smith Trophy

The Pat Smith Trophy has been Canterbury Rugby League's ultimate prize for over 50 years, awarded to the winning side in each year's grand final since a playoffs system replaced the first-past-the-post format to decide the premiership in 1967.

An excellent rugby union forward, Patrick Attwood Smith switched codes and was one of New Zealand's most prominent rugby league players in the immediate post-World War II period. Smith turned out for Addington and Hornby before playing an integral role in the formation of the Prebbleton club in 1947, steering it to a historic premiership win two years later.

The hooker/prop boasts the unique honour of having captained New Zealand in all 10 of his international appearances and 38 matches overall from 1947-49, leading the Kiwis to Test wins over Great Britain, France and Australia.

Smith's contribution to rugby league continued after his retirement as a player. He was a founder of the Marist club and president from 1960-66, coached Papanui and Marist, was a selector for Canterbury and South Island, and served as CRL president in 1967.

Pat Smith, who passed away in 1981, was inducted as a New Zealand Legend of League in 2009, while his enormous local legacy lives on with the winning captain hoisting the trophy bearing his name after the Canterbury Rugby League grand final every year.

An Ode to the Players

It is not the critic who counts: not the person who points out how the strong person stumbles, or where the doer of good deeds could have done them better. The credit belongs to the person who is actually in the arena, whose face is marred by dirt and sweat and blood; who strives valiantly; who errs, who comes up short again and again; who spends themselves in worthy cause; who at best knows in the end the triumph of high achievement, and who at worst, if they fail, at least fails while daring greatly, so that their place shall never be with those cold and timid souls who neither know victory or defeat.
